Income Replacement Insurance

Income Replacement Insurance

WHY INCOME REPLACEMENT INSURANCE?

Property Insurance will pay to restore your buildings, stock and equipment following an insured loss, but how will you pay for ongoing expenses while restoration is underway?

Income Replacement Insurance will restore your earnings to where they would have been had the loss not occurred.

PROVIDES FOR THE PAYMENT OF:

- Taxes
- Wages
- Continuing Expenses
- Interest on Debt

This coverage helps you to avoid bankruptcy or foreclosure as a result of the insured loss.
